

Do your **key leaders** need to be **better equipped** to deal with

Difficult Conversations?

Our 'Dodger to Tackler'™ training is great for both **customer and patient** focused environments.

Our **'Become a Tackler not a Dodger'**TM training teaches skills that **create alignment and agreement** by fostering open dialogue around **critical, emotional or risky topics** – at all levels in the organisation. By learning how to **speak and be listened to**, you'll begin to flush out the **best ideas**, make the **highest quality decisions** and then **act on those decisions** with **speed, unity and commitment**.

There are a number of options for bringing our **'Become a Tackler not a Dodger'**TM training to your organisation.

To talk to us about equipping your team with these vital skills, email helen.robinson@globis.co.uk or call 0330 100 0809.
